**Election in Baltimore Results in Triumph of Republican**  
**Nominee for Mayor**  
Baltimore, May 8.—William Frederick Broening, Republican state's attorney for Baltimore, will be the first mayor of greater Baltimore.  
He won that honor yesterday by defeating George Weems Williams, the Democratic candidate, in one of the most remarkable elections in the history of the Monumental City.  
There is no doubt that Mr. Broening's plurality will be at least 6,000, with three-quarters of the vote of the city counted. Howard Bryant, Democratic candidate for president of the Second Branch of the City Council (the vice-mayor of the city), and a running mate of Mr. Williams, has defeated Charles E. Norris, while Peter Tome, the Republican candidate for city comptroller, and a running mate of Mr. Broening, has defeated Joseph E. Smith, Democrat.  
The general onslaught was on Mr. Williams, who had the backing of the State organization, which recently defeated Mayor Preston for renomination in the primaries.

**GUARD ALLEGED SLAYER**  
**James Crawford Suspected of Murdering Emma Austraw**  
Greensburg, Pa., May 8.—James Crawford, alleged murderer of Emma Austraw, is held at the Barracks here today, guarded by a troop of State constabulary and volunteers.  
Word received indicated that, following news of the arrest, a crowd began gathering at Latrobe, ten miles distant, making threats of lynching.  
John Ray, 17, is also held as an alleged accomplice.  
The expected mob attack developed only a small demonstration by a score of youths who rode into town on a truck, shouted and yelled and departed when they were ignored.  
Information charging Crawford and Ray with murder were spread out today.  
According to the police, Crawford's confession shows that the two men seized the girl and dragged her into the cellar of an abandoned log cabin on the Ardary farm. Then, after she had been attacked, the men knotted a buckskin thong through her arms, tied them behind her back and carried her unconscious to the

**Dr. Frederick Jacobson says, 75 per cent of women need Phosphates to give them Strong, Healthy, rounded figure and to avoid Nervous break down. Thousands of women grow strong in Nature's way.**  
"Consider the Lilies of the Field, How They Grow."

The life of the lily is but a few weeks or months. The life of woman is "three score years and ten." But to live one's life in its fullness, women like the lily, must be nourished by those same vital elements which nature provides for nourishing every living thing; and these include the valuable phosphates so often lacking in the usual food we eat today. Argo-Phosphate is rich in these wonderful elements. It contains them in concentrated tablet form which is easy to take and quickly assimilated and absorbed into the system, and from youth to old age, builds and rebuilds body and brain in beautiful harmony with Nature's perfect plan. "That's why" Argo-Phosphate makes good solid flesh and muscles.  
**SPECIAL NOTICE:** Argo-Phosphate contains the Natural phosphates which thousands of physicians are prescribing daily to build up thin, pale, colorless women to give them rosy cheeks, red lips, and a beautiful complexion. Many cases have been reported where women have increased their weight from 15 to 25 pounds with a few weeks treatment, and any woman who desires a well rounded and developed form, should secure from her druggist, this new drug which is in-expensive and is dispensed by Richard Gibson and The Rexall store, with or without a doctor's prescription. shed. After placing her under the floor a bullet was fired into her neck, McLaughlin asserted.  
Crawford, the police say, accused Ray of shooting the girl.

**WOMAN BADLY ABUSED**  
**Search for Murderer Directed to Men in Mystery House**  
Barre, Vt., May 8.—Search for the murderer of Mrs. Mary E. Broadwell was directed yesterday toward several men said to have been in a mystery house in which Mrs. Broadwell was seen the night of the murder.  
The report of State Pathologist Stone, which is now in the hands of Attorney-General Archibald, is said to show that the victim had been dead eight hours when the body was discovered.  
It is also understood to establish the fact that the woman was brutally abused, the indications being that her clothes were torn from her body when she struggled to defend herself.

**EXTRA LONG WEAR FROM SHOES**  
T. D. Collins of Oskala, Hawaii, makes a remarkable statement which demonstrates the money-saving durability of Neolin Soles.  
He writes, "After wearing a pair of Neolin-soled shoes off and on for thirty-three months, I wore them on a trip to the volcano of Kilauea and walked around the crater over hot lava six times and still the soles showed only slight signs of wear."  
This experience is not accidental. It results from the scientific process by which Neolin Soles are made to be exactly what soles should be—comfortable, waterproof and exceedingly economical because of the long wear they give.  
Get them on new shoes for all members of the family and have them put on worn shoes. They are made by The Goodyear Tire & Rubber Company, Akron, Ohio, who also make Wingfoot Heels, guaranteed to outwear any other heels.
